

Stories of Success

Lawrence Krimker, The Dependables

The Dependables provide superior exterior home services such as window cleaning, eavestrough cleaning, driveway re-finishing, and snow plowing to home owners in Toronto. The Dependables' main focus is to ensure customers receive the best quality of service in order to maintain client loyalty. Starting with just 5 guys, the company now has 4 offices and employs over 120 people. Sales have multiplied since the beginning and reached \$2.3 million in 2009.

The Summer Company Program offered through the Richmond Hill Small Business Enterprise Centre (SBEC) helped Lawrence Krimker create a solid business plan that contributed to the success of his business start up. Along with dedication and hard work, Lawrence was able to grow the business over the past 5 years. Looking forward, The Dependables plan to service clients from all of Ontario. Over the next three years, the company will continue to grow and hope to create 500 new jobs for Canadians.
